The Sidereal Times
NEWSLETTER OF THE ALBUQUERQUE ASTRONOMERS

PRESIDENT: BOB BRITTON   APRIL 1977   EDITOR: WYNNE WOOD

OUR NEXT MEETING: will be on Friday, April 15th at 7:30 PM at the home of Art Jacobs, 4433 Glenwood Hills Drive, NE. (see map below)

FOR SALE: An 8" mirror blank, $6.75, and a 10" mirror cell, $6.00. Also a 4½" f/10 telescope (no mount), $30. Call Don Davey 293-7340.

MEETING SUMMARY: At the March meeting Derek Wallentine shared his knowledge of how to find objects in the night sky. Several amendments to the Astronomical League constitution were ratified.

INDEXES IN: The copies of "Index of Astronomy and Telescope Making" which were ordered for several members have come in. Bring $1.50 to the meeting to receive your copy.

OCCULTATION SUPPLEMENT: If you would like a copy of the Sky & Telescope occultation supplement for 1977, contact Wynne Wood and she will order one for you.

SAD NEWS FOR US: Our Vice President, Bob Darby, has accepted a position with an architectural firm in Maine and will be moving there on April 5th. His new address is: Charles Street, Winthrop, Maine 04364. We shall miss Bob very much as he was an active supportive member of the club. The telescope making class which he formed is now meeting at Merv Seay's house.

TELESCOPE SCHEDULE: April 1- April 15    Merrick Berman
April 15- April 29    Art Jacobs
